Perhaps your WELCA group is thinking about getting more involved with the Girls' School in Tanzania.....

Perhaps your congregation is involved in the Companion Synod Program and would like to hear from others.....

Perhaps your Sunday School is looking for ways to know of God's presence in the world as seen by people from Iowa.

Perhaps you've been on one of the synod trips and would like your group to hear another's stories also.

Perhaps, perhaps,..... It's time to schedule a speaker!

*If you would like to be listed as a willing speaker contact The Board For Missions, Pastor Celeste Waymire, chair, or the synod office.*

Please check the synod website for future list additions! Wisynod.org
