

Application for Congregation Renewal

Western Iowa Synod congregations are invited to apply for renewal. The Synod selected HealthierChurch.org to develop renewal opportunities with any congregation in the Synod for two years, beginning in May 2014.

Renewal in congregations may include many subjects as customized by each congregation, and it always includes stewardship, spiritual growth, and leadership development. Visit us at www.HealthierChurch.org

Please fill out the application below and send it electronically to mail@HealthierChurch.org or call with the information to 816-806-9996:

“Our congregation, _____ is interested in congregation renewal. Please send information to:

(Pastor) _____ **(Lay leader)** _____

Email: _____ **Phone:** _____

Those attending the Synod assembly are encouraged to meet Mary Jo Moore or Ed Kruse at the HealthierChurch.org display table.

Two Western Iowa Synod congregations-in-renewal (Our Saviour, Humboldt, and New Life, Sergeant Bluff) will also be at the display table at select times, and will share ideas and answer questions. We'll look for you.
