revolutionary youth speaker

What does it really mean to be a revolutionary follower of Jesus Christ?

If that's something you've always wondered, then join us this weekend. Erik travels the country fulltime, building relationships and challenging people in their relationship with Christ to see His teachings and applying them to be revolutionary.

*late registrations will not be guaranteed a t-shirt. So, register early and register often!! ;)

**we prefer one adult for every 7 students, and one adult for each gender you bring!
